Needed procedures / functions

Quote

1. Inserting quotes
2. Inserting quote items
3. Removing quotes
4. Removing quote items
5. Updating quotes
6. Updating quote items

Contracts

1. Inserting regular contract
2. Inserting on-demand contract
3. Inserting long-term contract
4. Removing regular contract
5. Removing on-demand contract
6. Removing long-term contract
7. Updating regular contract
8. Updating on-demand contract
9. Updating long-term contract
10. Inserting regular contract items
11. Inserting on-demand contract items
12. Inserting long-term contract items
13. Removing regular contract items
14. Removing on-demand contract items
15. Removing long-term contract items
16. Updating regular contract items
17. Updating on-demand contract items
18. Updating long-term contract items

Invoices

1. Inserting regular invoice
2. Inserting on-demand invoice
3. Inserting long-term invoice
4. Removing regular invoice
5. Removing on-demand invoice
6. Removing long-term invoice
7. Updating regular invoice
8. Updating on-demand invoice
9. Updating long-term invoice
10. Inserting regular invoice items
11. Inserting on-demand invoice items
12. Inserting long-term invoice items
13. Removing regular invoice items
14. Removing on-demand invoice items
15. Removing long-term invoice items
16. Updating regular invoice items
17. Updating on-demand invoice items
18. Updating long-term invoice items
